

ELEGANT – DECOR

DECORATIVE WALL COATING FOR IMPRESSIVE EFFECTS

DEC/34 | DECORATIVE COATINGS

PROPERTIES

ELEGANT – DECOR is a decorative wall coating, specially designed for interiors, creating a refined effect. Based on acrylic resins, it allows absolute freedom in creating unique styles, giving a distinctive aesthetic and high decorative value to surfaces. With flexibility in application and a variety of textures, ELEGANT – DECOR upgrades any interior place, adding style and character.

COVERAGE

The consumption of the product depends on the technique to be applied.

STORAGE

Up to 12 months in closed containers protected from the sun and low temperatures.

Attention: colour and general technical characteristics may vary slightly due to the substrate or by not following the manufacturer's directions for use. Technical specifications may vary slightly between product batches.

DIRECTIONS FOR USE

- The application surface must be clean and free of dust, grease and loose materials.
- Before the application of ELEGANT – DECOR, apply NEOSTRONG PRIMER or NEOCHROM, diluted 1:1 ratio with clean water. The primer needs 24 hours to dry and applies for better adhesiveness of the coating and resistance to alkalinity of the cement.
- After drying a coat of ELEGANT – DECOR follows. The number of the coats is determined depending on the style chosen
- The application and the final texture differ depending on the desired style.
